

The McKinney-Vento Homeless Assistance Act

The McKinney-Vento Homeless Assistance Act states that once a child has been identified as homeless, residency requirements do not apply. The federal law requires that a child or youth experiencing homelessness attend one of the following:

- *The school of origin*: The school that the child last attended before experiencing homelessness or the school where the student was last enrolled.
- *The local attendance area school*: Any public school that nonhomeless students who live in the attendance area in which the child or youth is actually living are eligible to attend.

Enrollment must take place immediately.

The McKinney-Vento Homeless Assistance Act requires schools to consider the school of origin as the first option in school enrollment. Parents may choose the school of origin or the local attendance area school. The following individuals may be consulted in determining what placement is in the child's or youth's best interest:

- The homeless child or youth
- The parents or caretakers of the homeless child or youth
- Homeless shelter personnel
- Representatives of social service agencies
- Local homeless education liaisons
- School social workers
- School counselors

It is the school district's responsibility to determine the school of origin and local attendance area school and to resolve any conflict concerning the school placement that is in the best interest of the student. Whenever possible, the school district is to comply with the parents'/caretakers' wishes. If the school district and parents/caretakers do not agree on the appropriate placement, the state's dispute resolution procedure must be followed. The student should be enrolled in the school that the parents or caretakers (or the student himself/herself, in the case of an unaccompanied youth) have chosen during the resolution process. If the local attendance area school and the school of origin are in different districts and the school of origin is determined to be the best placement, the local homeless education liaisons from both districts must work together to arrange transportation. If the two districts can not reach a mutually agreed-upon arrangement, the two districts must split equally the cost and responsibility of transporting the student to the school of origin.

Information for Parents

If your family lives in any of the following situations:

- In a shelter, motel, vehicle, or campground
- On the street
- In an abandoned building, trailer, or other inadequate accommodations, or
- Doubled up with friends or relatives because you cannot find or afford housing

Then, your preschool-aged and school-aged children have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.

Your children have the right to:

- Go to school, no matter where you live or how long you have lived there. They must be given access to the same public education, including preschool education, provided to other children.
- Continue in the school they attended before you became homeless or the school they last attended, if that is your choice and is feasible. If a school sends your child to a school other than the one you request, the school must provide you with a written explanation and offer you the right to appeal the decision.
- Receive transportation to the school they attended before your family became homeless or the school they last attended, if you or a guardian request such transportation.
- Attend a school and participate in school programs with children who are not homeless. Children cannot be separated from the regular school program because they are homeless.
- Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.
- Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
- Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrolling your children.
- Receive the same special programs and services, if needed, as provided to all other children served in these programs.
- Receive transportation to school and to school programs.

When you move, you should do the following:

- Contact the school district's local liaison for homeless education (see phone number below) for help in enrolling your child in a new school or arranging for your child to continue in his or her former school. (Or, someone at a shelter, social services office, or the school can direct you to the person you need to contact.)
- Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.
- Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.
